

I Care!

I always say words that make people feel good:

- “Please”
- “Thank you”
- “Excuse me”
- “I’m sorry”

I always do things that make people feel good:

- I cover my face when I have to.
- I wash my hands every time I go to the bathroom.
- I knock at closed doors and wait for an answer before opening them.
- I hold open the door if someone is right behind me.
- I wait my turn.
