

# To Belong

Follow the social rules:

- Only take people's things with permission.
- Stop when you are asked.
- Say thank you and please.
- Look people in the eyes.
- Wait for your turn to speak; don't interrupt.
- Be quiet when asked to be quiet.
- Cover your mouth when you cough.
- Don't tell lies about people.
- Be kind.
- Don't dislike people because they are different.

Find out the best way for you to learn (sitting still, moving around, looking at pictures, listening, or touching).

- Make the room where you choose to learn clean and quiet.
- Find out how you can help kids who don't know the rules, or need to break them.
